About USCC

At USCC, we are dedicated to transform visions into reality with exceptional construction services. Our team of skilled professionals combines expertise, craftsmanship, and a steadfast commitment to delivering the highest quality in every project we take on.

Why Choose Us?

- **Client-Focused Approach:** We put our clients' needs first, working closely with them to achieve their goals. Your satisfaction is our success.
- **Dependable Results:** We deliver projects on schedule and within budget while upholding the highest quality standards. Our proven track record demonstrates our reliability.
- **Sustainability Commitment:** We prioritize eco-friendly practices, using sustainable materials and methods to minimize the environmental impact of our projects.

Mission

Vision

The safety of our employees, clients, and the community is our highest priority. We adhere to strict safety protocols and regulations to ensure a secure working environment on every job site.

Our mission is to provide top-quality construction solutions that cater to the unique needs of our clients, while prioritizing safety, efficiency, and sustainability. We are committed to exceeding expectations and building lasting relationships based on transparency and integrity.

Meet the Share Holder & **GENERAL MANAGER**

MR. SAYED HASSAN AHMED

25 YEARS OF EXPERIENCE IN KSA
5 YEARS IN PAKISTAN / QATAR

We are pleased to introduce you to the driving force behind **USCC**, Our esteemed **G.M. Syed Hassan Ahmed**. With a remarkable blend of education and extensive industrial experience,

Syed Hassan Ahmed is the cornerstone of our company's success and growth.

He brings a strong academic foundation to the construction industry. Over the past **30 years**, he has played a pivotal role in executing complex projects, driving innovation, and ensuring excellence in general management in Saudi Arabia as well as internationally

Our Services

Civil

- **Building Construction:** From residential to commercial projects, we manage every aspect of construction, ensuring high-quality results and timely project delivery.
- **Earthworks and Foundations:** We have expertise in earthmoving, foundation laying, and other crucial groundwork, providing essential support for your construction needs.
- **Site Development:** We provide complete site preparation services, including grading, excavation, and land clearing, to establish a solid foundation for every project.
- **Infrastructure Development:** Our team specializes in constructing roads, bridges, and drainage systems, focusing on durability and strict adherence to safety standards.

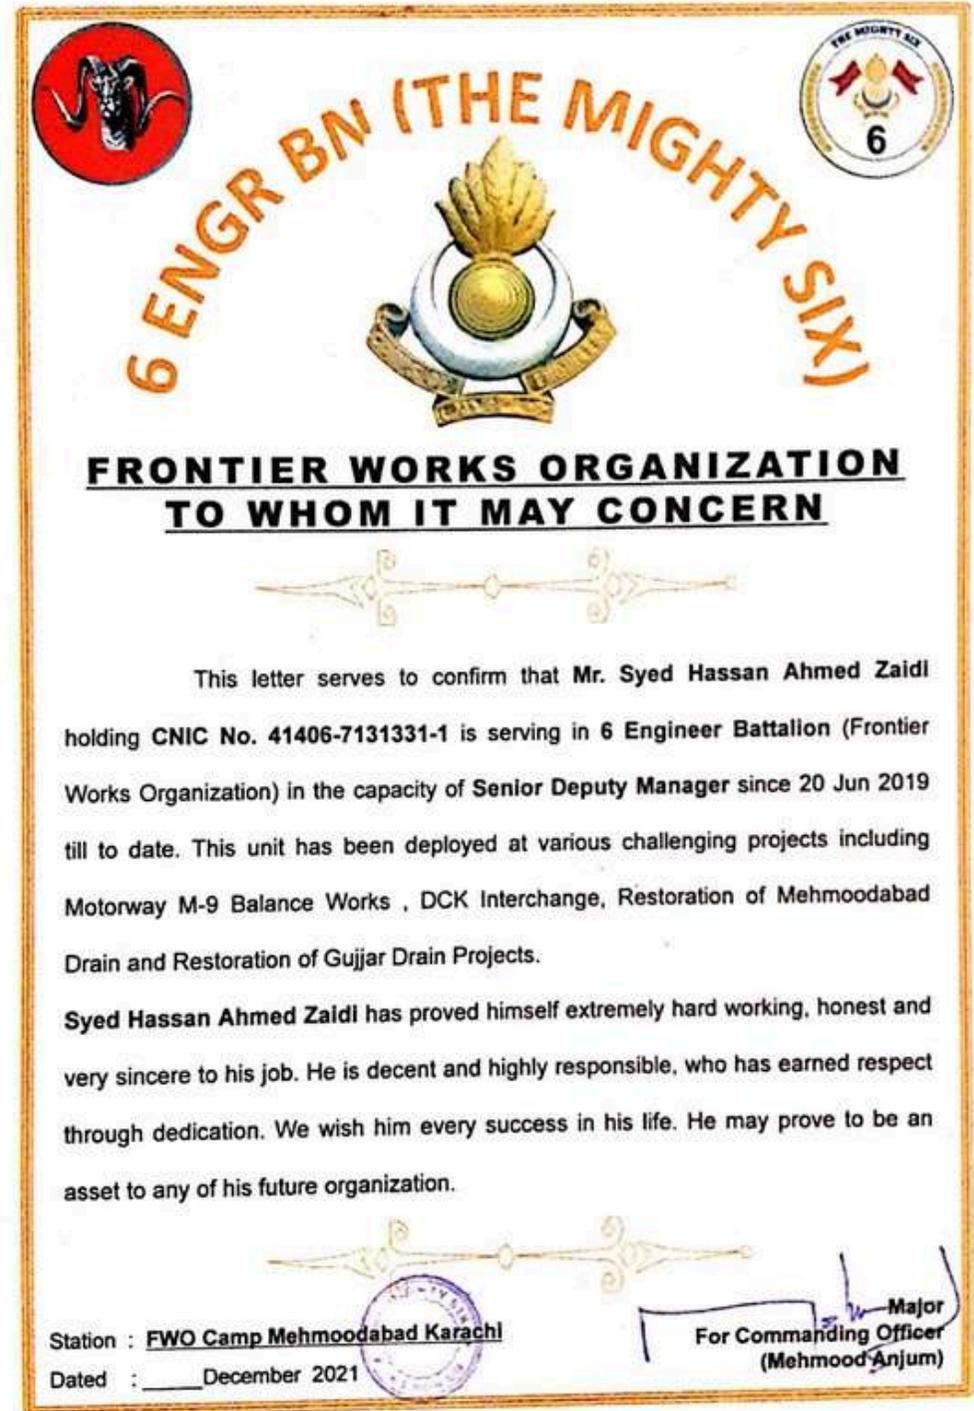

Our Services

Mechanical

- **Specialize in Heavy Industrial Strainers / Filter Fabrication, Repair & Mesh Replacements**
- **Milling / Turning / Boring / Facing / Drilling Jobs for All Types of Materials**
- **Machining of Special Flanges / Orifice Flanges / Spectacle Blinds in All Material Types**
- **Fabrication & Erection of Steel Structures / Hangers / Monkey Ladders / Handrails / Gratings**
- **Pipe Threading / Cutting / Beveling / Welding**
- **Surface Preparation / Sandblasting / Grit blasting**
- **Painting As Per Required DFTs**
- **Hot dip Galvanizing / Chrome Plating**
- **Laser / Plasma / Water Jet Cutting**
- **HVAC Installation and Maintenance, Specialize in the Installation, Repair and Maintenance of Heating, Ventilation and Air Conditioning Systems**
- **Plumbing Services: Offering comprehensive plumbing solutions, including the installation and maintenance of piping systems, fixtures, and sanitation systems**
- **Preventive Maintenance Programs: Developing maintenance schedules for mechanical systems to reduce downtime and extend the lifespan of equipment**
- **Industrial Equipment Installation: Expert installation and maintenance of industrial machinery and systems, ensuring full compliance with industry standards**

CERTIFICATION
TO WHOM IT MAY CONCERN

I have known Mr. Syed Hassan Ahmed since January 2001 in connection with his work as a Project Site Engineer on the Cristal Project for the construction of Chlorine Plant and Titanium Dioxide Pigment Plant Expansion in Yanbu, Kingdom of Saudi Arabia.

Mr. S H Ahmed works for the Contractor Messers. Saudi Binladin Group PCM Division.

His knowledge of civil works construction and general building procedures is good.

I have found him a very willing, hard working, efficient and amiable member of the Contractor's staff.

This certification is issued upon his request.

FAROUQ E. KHATRI,
EURO. ING. BSc (ENG.) C.ENG. MICE.
Resident Engineer Civil/Structural

Saudi Aramco Lubricating Oil Refining Co.

June 10, 2001

CERTIFICATE OF ACHIEVEMENT

This is to certify that Mr. Syed Hasan Ahmed, Project Engineer -Civil, an employee of Saudi Binlading Group - PCM Division, was a part of the EPC team for the Asphalt Tar & Extract Plant at Saudi Aramco Lubricating Oil Refining Company (Luberef II), Yanbu.

The Asphalt plant designed to produce 6000 barrels/day of blended asphalt product was completed utilizing over 500,000 man hours without any lost time or recordable injury, which is an achievement on the part of Saudi Binladin Group.

Luberef II appreciates the hard work and wishes you success in all future projects.

LETTER OF RECOMMENDATION FOR:

Mr. Syed Hassan Ahmed

Date: July 12, 1998

This letter of recommendation is for **Mr. Ahmed**, who has been employed by one of our Sub-Contractors, Saudi Binladin Group (P.B.A) here on the Yanpet Expansion Project, Yanbu Saudi Arabia since January 1, 1998 until present.

Mr. Ahmed's job description is that of a **Civil Engineer**. He has done an excellent job during his tenure here. He always ensured that his crews were ahead in their work tasks that included surveying for foundations, pipe rack supports and underground pipe placement and then ensuring that the proper excavation procedures and all the very stringent backfill specifications were implemented and carried out. He was always "in the field" where the work was and always finished his tasks on or ahead of schedule.

Mr. Ahmed is an excellent employee with good work habits and is a safe, and very hard working dependable employee.

I wish **Mr. Ahmed** great success on his future assignments wherever they may be and believe that any company that has him in their employment will benefit greatly from his experience and knowledge

Sincerely,

Marty Jouett
Superintendent

CERTIFICATION

TO WHOM IT MAY CONCERN:

This is to certify that as per our records available in this office, **Mr. Hassan Ahmed** a pakistani national, is presently employed by us and assigned in one of our Projects, the 3500 MT/Day Tabuk Cement Plant with Power and Desalination Plants Project, located at Dubai North, Tabuk Region, Saudi Arabia as following:

POSITION : SENIOR ENGINEER
Civil/Structural Steel Engineer

SALARY : US \$ 2,000 gross salary for
10 hours work per day,
6 days per week

This is to certify further that **Mr. Ahmed** is hardworking and honest in the performance of his duties as a senior Civil/Structural Steel Engineer. In addition to his routine work responsibilities, he works also with our Planning Department pertaining to the construction contracts and cost evaluation for the general construction works. He is dependable and his performance with us is highly satisfactory and commendable.

This certificate is being issued in favor of **Mr. Ahmed** for whatever legal purpose he may deem it appropriate.
